Disclaimer + Forward Looking Statements.

FORWARD LOOKING STATEMENTS: This document includes information, statements, beliefs and opinions which are forward looking, and which reflect current estimates, expectations, and projections about future events, referred to herein as “forward-looking statements” or “forward-looking information”. Statements containing the words “believe”, “expect”, “intend”, “should”, “seek”, “anticipate”, “will”, “positioned”, “project”, “risk”, “plan”, “may”, “estimate” or, in each case, their negative and words of similar meaning are intended to identify forward-looking statements. By their nature, forward-looking statements involve a number of known and unknown risks, uncertainties and assumptions concerning, among other things, the Company’s anticipated business strategies, anticipated trends in the Company’s business and anticipated market share, that could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. These risks, uncertainties and assumptions could adversely affect the outcome and financial effects of the plans and events described herein. In addition, even if the outcome and financial effects of the plans and events described herein are consistent with the forward-looking statements contained in this document, those results or developments may not be indicative of results or developments in subsequent periods. Although GPO Plus, Inc. has attempted to identify important risks and factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors and risks that cause actions, events or results not to be as anticipated, estimated or intended. Forward-looking information contained in this presentation is based on the Company’s current estimates, expectations and projections, which the Company believes are reasonable as of the current date. The Company can give no assurance that these estimates, expectations and projections will prove to have been correct. You should not place undue reliance on forward-looking statements, which are based on the information available as of the date of this document. Forward-looking statements contained in this document are made of the date of this presentation and, except as required by applicable law, the Company assumes no obligation to update or revise them to reflect new events or circumstances. Historical statements contained in this document regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future. In this regard, certain financial information contained herein has been extracted from, or based upon, information available in the public domain and/or provided by the Company. In particular historical results should not be taken as a representation that such trends will be replicated in the future. No statement in this document is intended to be nor may be construed as a profit forecast.

ON FUTURE-ORIENTED FINANCIAL INFORMATION: To the extent any forward-looking information in this Presentation constitutes “future-oriented financial information” or “financial outlooks” within the meaning of applicable United States securities laws, such information is being provided to demonstrate the anticipated market penetration and the reader is cautioned that this information may not be appropriate for any other purpose and the reader should not place undue reliance on such future-oriented financial information and financial outlooks. Future-oriented financial information and financial outlooks, as with forward looking information generally, are, without limitation, based on the assumptions and subject to the risks set out above under the heading “Cautionary Note Regarding Forward-Looking Information”. The actual financial position and results of operations of GPO Plus, Inc. may differ materially from management’s current expectations and, as a result, GPO Plus, Inc.’s revenue and expenses may differ materially from the revenue and expenses profiles provided in this Presentation. Such information is presented for illustrative purposes only and may not be an indication of GPO Plus, Inc.’s actual financial position or results of operations.
